Professional Experience

Kivio, Berlin — Senior Business Operations Manager (2024 – present), Business Operations Manager (2022 – 2023)

- Responsible for business operations projects across Product, Customer Success and Sales
- Redesigned the customer onboarding process, reducing time-to-first-invoice from 9 to 3 days
- Involved in the 2023 pricing and packaging update
- Helped automate several manual back-office workflows
- Built KPI dashboards in Looker for the leadership team
- Managing a team of analysts

Zalendo, Berlin — Marketplace Operations Manager (2019 – 2022)

- Managed partner brands on the marketplace and owned onboarding and quality standards
- Worked on various projects with logistics and category teams, including returns reduction
- Ran weekly partner performance reviews

Deloitte, Stockholm — Business Analyst, Operations Consulting (2017 – 2019)

- Supported client projects in retail and logistics: process mapping, cost analysis, operating model design
- Prepared workshop materials and steering committee presentations
